

# 2018 Registration fees & Discounts:

Courses may be paid monthly in advance, or as a once-off (see discount options for up-front payment).

\* **(a) Monthly installments:** Your registration fee = first month's fee (refer to "cost per month" in the tables on pg 1&2). The registration fee is counted as your first installment and deducted from the total cost of the course ie we do not charge an additional registration fee.

Your space is only booked and completed upon receipt of your registration form and fee. Classes are filled according to completed registrations. Provisional bookings are kept for a maximum of 3 days!

\* **(b) Full fee payment:** Your space is booked upon receipt of your full discounted course payment and registration form (refer to "Upfront payment discounts" below)

Once you have enrolled for a course your space is kept for you for the full duration of the course in the class/es that you have selected on your registration form, and you are contractually bound for payment of the full duration of the course. No refunds will be issued and classes that are not attended will be forfeited, at the student's expense.
