Terms & Conditions:

* By completing and submitting this registration, you acknowledge, understand and agree that you are liable for full payment of the course that you have signed up for, and further acknowledge, understand and agree to all the terms and conditions contained herein.

* Monthly payments are not determined or affected by the student's attendance rate – missed **classes are forfeited at the student's own expense** and full installments are due every month. i.e. students **can not skip classes during their course to save money**. The classes are not offered on a "pay-as-you-go" basis – the courses run for consecutive months and full consecutive monthly payments are due for the full cost of the course you sign up for, whether you can attend all classes or not.

* Monthly fees are payable by or on the 1st of every month. 5% interest will be charged for late payments.

* Space is kept for each student in the selected class/es only, and only for the duration of the course that the student has signed up for.

* No catch-up classes will be granted in any of our other classes to make up for missed classes, for any reason whatsoever. **Spaces in other classes are reserved for other students**. Notes can be provided for homework upon request, in order to finish off by the date that the course time lapses.

* UberGlam reserves the right to cancel your student membership should late coming or missing classes become an inconvenience and problem

* Should a student not be committed to attend his/her classes and be absent from class for 30 days without notification and payment, it will be assumed that the student has dropped out, and UberGlam reserves the right to cancel the student's membership. The student will still be held liable for full payment of the course or until such time that a replacement student has been found.

- * Students who come to class under the influence of alcohol or any other substance shall be expelled immediately.
- * No weapons are permitted on our premises. Students who come to class with any weapons shall be expelled immediately.
- * No course cancellations& no refunds will be issued.
- * Your course may be changed to a different course but cannot be cancelled or moved to a different date if you cannot attend your course. Space is kept for the student for the full duration of the course that he/she signs up for and he/she is therefore responsible for payment for the full duration of that period.
- *Switching your class to a different day can only be done at the start of a new term, and if it can be accommodated. The student is still liable for payment while waiting to be switched to a different day and the course will still end at the original date of registration.
- *Should a student not finish a course due to missing classes, arrangements can be made for a course extension, at the student's expense – or the notes and fabrics can be provided to complete the course at home. For a course extension the student will need to book and pay for a full extra term though (ie. minimum of 1 x class per week for 1 x term = 10 x lessons), as we can unfortunately not place a student for just 1 or 2 extra lessons in a new term to finish off a course. All course extensions are charged at the "Open Class" rate.
- * Upon signature of this registration form, you grant UberGlam and/or its representative the authority to effect a credit check on you/the person responsible for payment's name should the need arise to collect any outstanding payments.
- *Any legal fees for the collection of outstanding payments will be charged to the student as well as interest on the outstanding amount.
